

Redesigning Microsoft Wunderlist

Presented By:

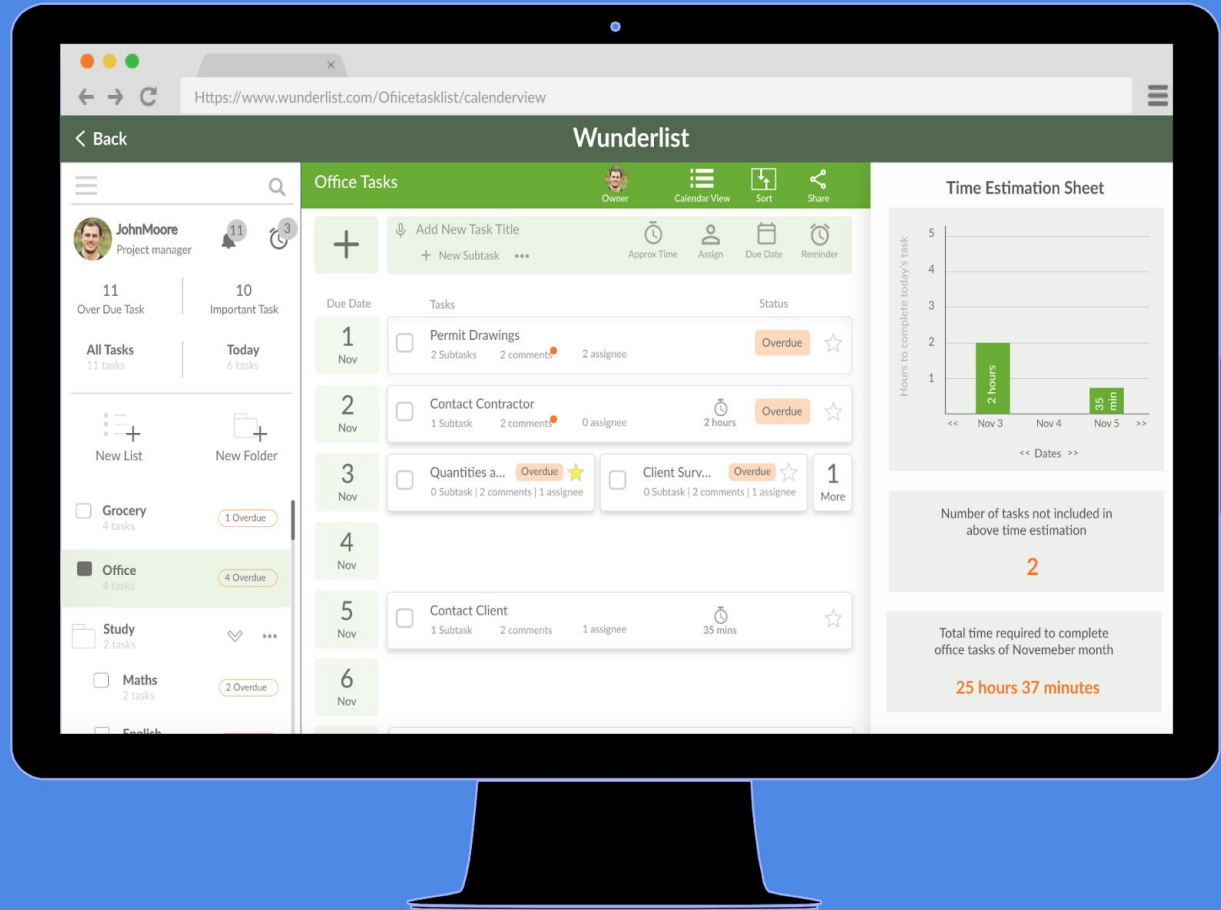

Team F.R.I.E.N.D.S

Abhishek Konduri(013710645)

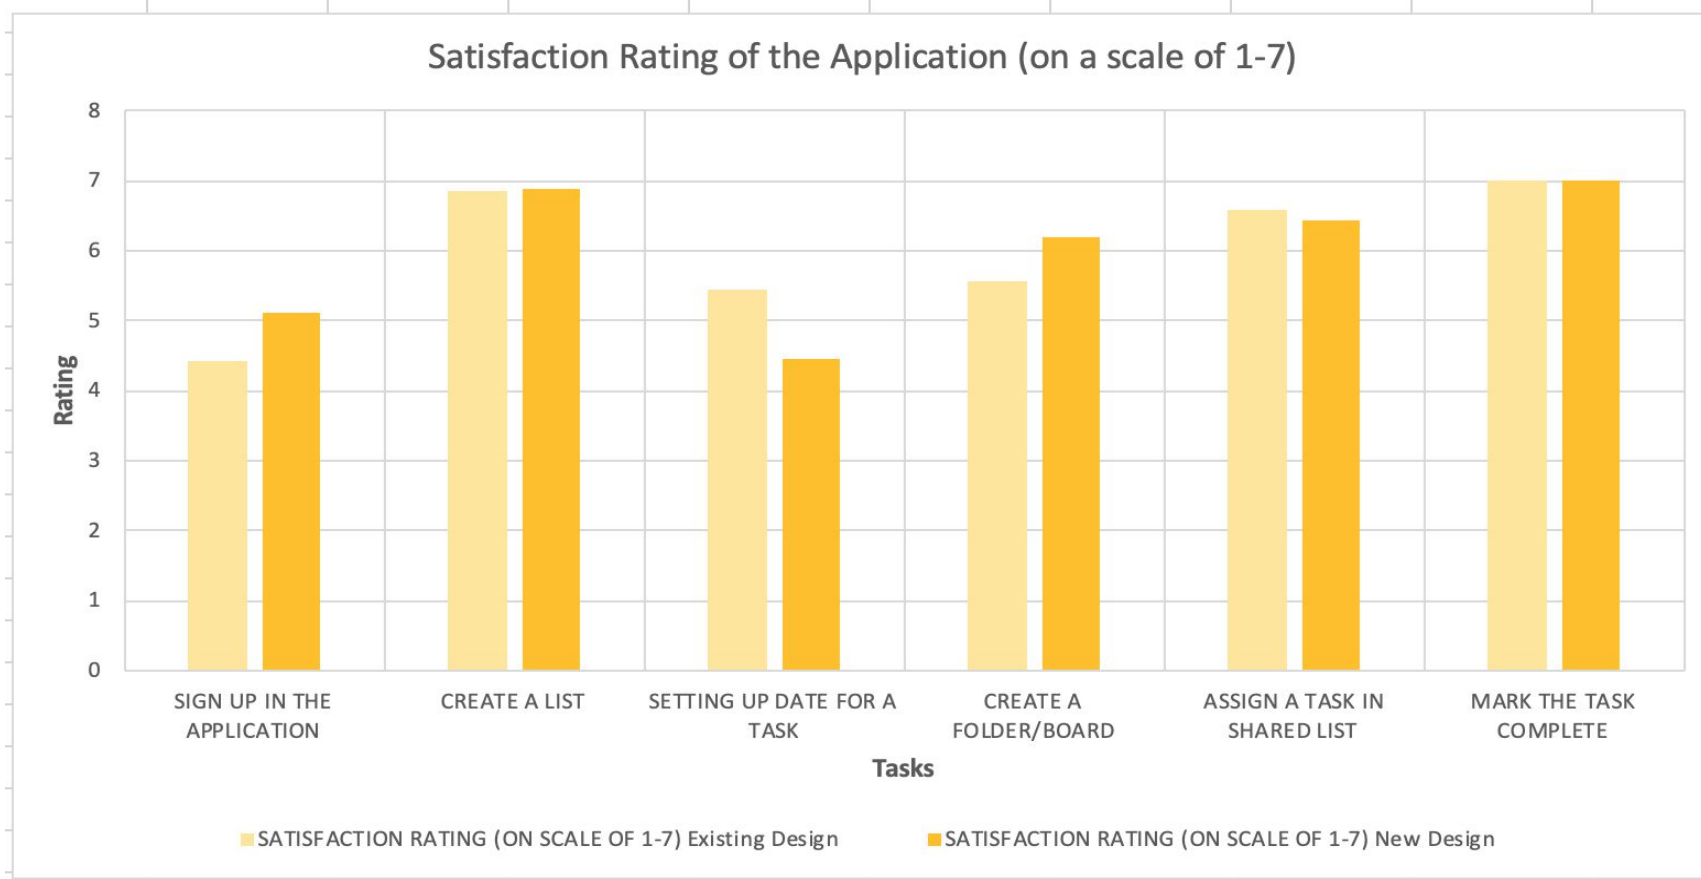

Ei Ei Chaw(012526631)

Kasturi Paranjpe(013721019)

Nehal Sharma(013849290)

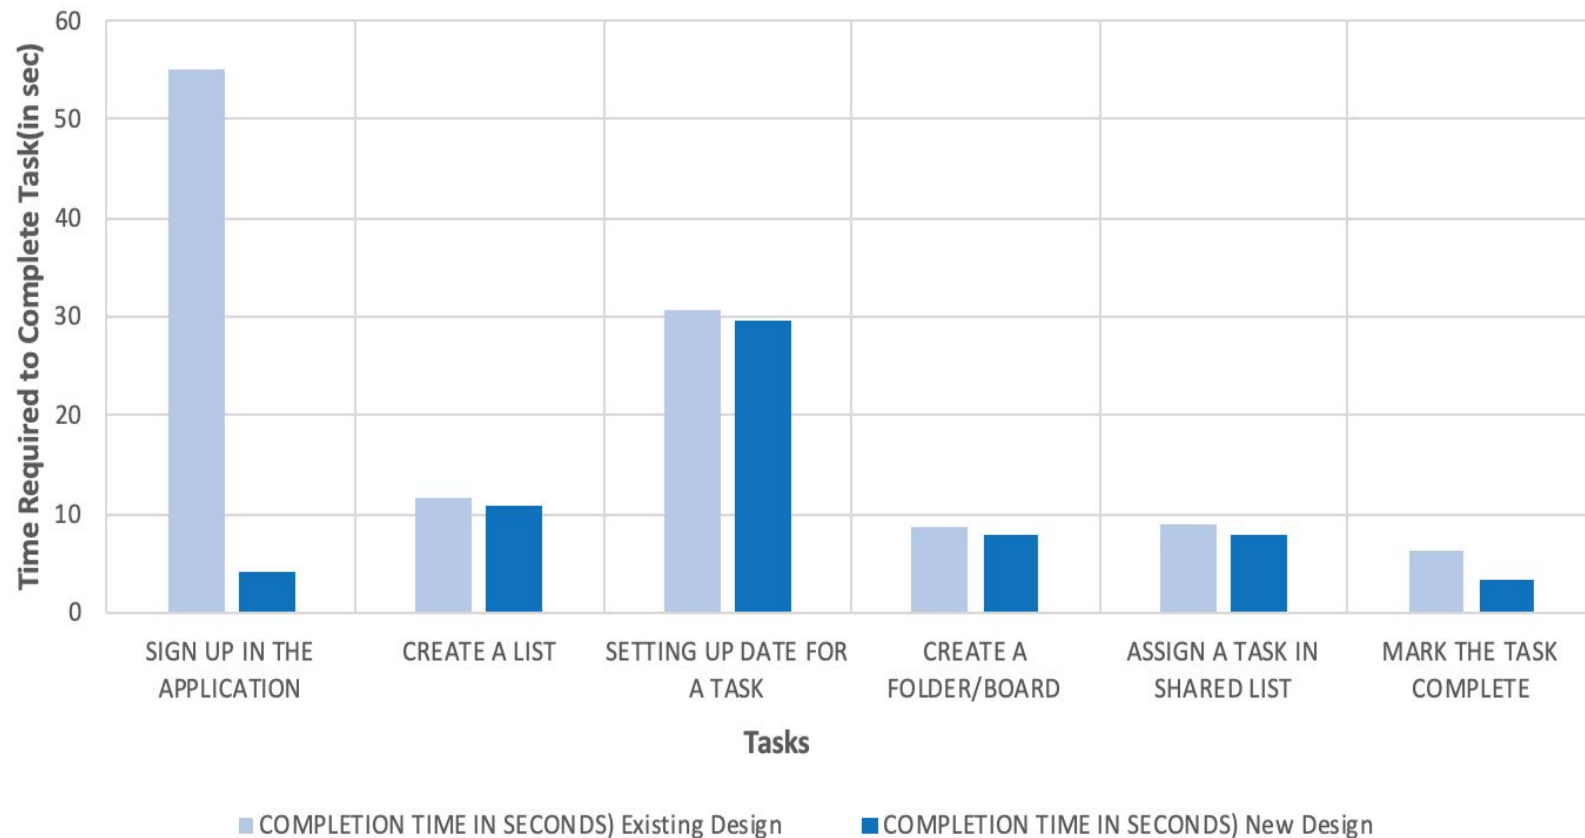

In-person User Testing and Results

Task Completion Time

Conclusion

- The evaluation of the pain points and user experience goals played a pivotal role in the redesigning exercise
- Wireframes helped in deciding placement of features
- Usability testing with the new prototype helped us to quantitatively assess the success of the improved version

THANK
YOU
